Dear travelers, Croatia welcomes you.

In order to make your stay in the Republic of Croatia as safe as possible, we are providing you with some information regarding the measures which are being implemented for the purpose of protecting the health of all visitors and citizens of the Republic of Croatia.

Prior testing for COVID-19 is not required to enter the Republic of Croatia.

By entering the Republic of Croatia, you are not obliged to self-isolate.

Exceptions:

- **Occurrence of symptoms during the stay in the Republic of Croatia.** If the people who have crossed state border develop symptoms of the disease after entering the Republic of Croatia, they must stay in their accommodation and call their host, i.e. organizer of their arrival, who will notify the primary care physician (i.e. a physician in a tourist medical clinic). Outside of the working hours of the competent primary care physician, the host of the foreign (official) person, who is exhibiting pronounced symptoms of the disease, calls the emergency medical services.
- **Entry into the Republic of Croatia in regard to a person exhibiting signs of the disease.** If a person is exhibiting signs of the disease when entering the Republic of Croatia, the border police will notify the border sanitary inspector and/or sanitary inspector who will decide on further action, with the option of referring the person to a competent healthcare institution for testing and treatment.

Hospitality facilities, additional amenities and stores are open for visitors. Epidemiological protective measures have been prescribed for all types of offers, which ensure the protection of visitors and staff as well as regular disinfection of the premises.

When leaving the accommodation facility, it is advised to wear a face mask or a cover for the nose and mouth, maintain physical distance from other people (minimum of 1.5 meters) and regularly perform hand hygiene.
